

Communications about the Pears Building development

If you would like to give feedback on the construction process or if you have any questions about it please contact Willmott Dixon at pearsbuilding.community@willmott Dixon.co.uk

If there is an urgent operational issue concerning the construction site, please call Willmott Dixon on 07704 260779 (weekdays) or 08457 335533 out of hours.

A **construction working group** (CWG) that includes the building project team and local residents and a series of meetings will be set up to address any specific concerns of the local community.

We will be keeping in touch with the local community and other interested parties via a range of communication channels that include:

- Drop-in sessions providing information about work to date and the next stage
- A dedicated newsletter
- A fortnightly “look ahead” briefing
- Minutes of the CWG
- Social media
- Existing patient and staff newsletters
- The trust and RFC websites

Please contact RF.pearsinfo@nhs.net if you would like to receive the fortnightly look-ahead briefing giving guidance about the upcoming works or if you have questions and concerns about the building work.

We recognise that local people
