*I am happy for all gifts of money that I have made to the Royal Free Charity in the past four years, and all future gifts of money that I make, to be Gift Aid donations. I am a UK taxpayer and understand that if I pay less income tax and capital gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations across all charities, it is my responsibility to pay any difference.

The Royal Free Charity reclaims 25p for every £1 you donate from the tax you pay for the current tax year. If you change your name, address or tax status, do let us know. If you allow the Royal Free Charity to claim Gift Aid on your generous donation, this extra funding from the government will allow us to deliver our full range of support services for staff and patients across the Royal Free London NHS Foundation Trust, and to facilitate research and innovation to improve the future of medical care.
